# THE LUXURY COLLECTIVE AND THRIVE CLUB IN COLLABORATION WITH PREMIER MAGAZINE

## PRESS RELEASE

23rd October 2023

### Collaboration between Luxury Collective Surrey, The Thrive Club and Premier Magazine

Premier Magazine is very proud to announce a collaboration with Surrey's foremost luxury events and networking group for female entrepreneurs; The Luxury Collective Surrey & The Thrive Club.

Clearly a forward-thinking organisation that is set to grow, this members' group of like-minded individuals has an ethos that Premier Magazine believes is very much in sync with their own brand and readership. Initially this was embraced with the publication of their 'Women to watch: 2023' article this spring which set out to introduce readers to the concept of The Luxury Collective Surrey & the Thrive Club and the businesses of its founder members. But exciting plans are now being announced for a collaboration between the long-established luxury magazine and the club. This will also mean unique benefits exclusively to members...

#### Exclusive 20% rate reduction for members

Premier Magazine reaches some of the wealthiest consumers in the south east thanks to its unique postal distribution to a very targeted AB audience (printed readership approximately 22,000, plus digital readership approximately 27,000, plus Social media following 20k+). Collective members who wish to expose their brand to this rich source of HNW are entitled to an exclusive Luxury Collective Surrey / The Thrive Club 20% discount on all advertising or editorial (advertorial) packages shown in Premier Magazine's Media Pack: <http://flk.bz/c5y1>

#### Access to Premier database

Luxury Collective Surrey & The Thrive Club members that advertise in the publication also get free access to Premier Magazine's readership mail / email database (a database of readers and their specific interests etc compiled from over 15 years of reader feedback via the magazine's reader response mechanisms) – perfect if they wish to promote a specific event which they would like to invite these readers to.

#### A Luxury Collective & Thrive Club Diary in Premier Magazine

As part of the collaboration moving forward there are also plans for the regular publication of 'Diary' column in the magazine which will showcase some of the club's events and initiatives to the Premier Magazine audience.

#### Working together on children's charity fundraiser

Premier Magazine is also proud to support The Luxury Collective Surrey and the Thrive Club's upcoming 2023 Christmas Soirée in aid of the TONI&GUY Foundation. As the Official Media Partner for this event the publication will be helping promote this very worthwhile charity evening which raises funds for the TONI&GUY Ward in King's College Hospital. The aim is to generate £10,000 towards the renovation of this space which specialises in caring for children with breathing (respiratory), blood (haematological) and cancerous (oncological) conditions.

# CHARITY CHRISTMAS SOIRÉE

## 2023 Christmas Soirée in aid of the Toni&Guy Charitable Foundation

### Welcome

This year, with your help we aim to raise vital funds exclusively for the [TONI&GUY Ward at King's College Hospital](#). The TONI&GUY Ward is a children's general medical ward with 15 beds. It specialises in caring for children with breathing (respiratory), blood (haematological) and cancerous (oncological) conditions.

We are excited to invite you to this year's Luxury Collective Surrey Christmas Soirée, and hope that with the help of your valued contribution we will raise £10,000 towards the renovation of the TONI&GUY Ward at King's College Hospital. All funds raised through ticket sales, sponsorships and donations on the night will go directly to the TONI&GUY Foundation.

Meeting this goal is vitally important to help us reach the total of £71,350 which is needed to cover renovation costs across the Ward. Our aim is to reduce anxiety of patients and make it a more welcoming and functional space for parents and hospital staff.

Please join Lilia and myself for a evening of fundraising and festive cheer to support the renovation on the Toni & Guy Childrens Ward and the Kings College Hospital.

This will be an evening of Old School Glamour, a Christmas Bazaar and a Raffle not to be missed!
